

## Post-it Comments at April 2015 Drop-In Sessions Community Group - Goals and Objective

1. **Goal:**  
To maintain, upgrade and expand the sports, play areas and community facilities  
*-Yes good idea*

### **Objectives:**

The Community Group supports and encourages the repair and upgrade of the Windmill Community Centre.

- Definite upgrade of hall*
- Wooden sprung floor*
- Upgrade facilities*
- enlarge viewing lounge*
- agree an essential community resource needs investment*
- It needs community activities film club etc*
- improving facilities is the correct first step*
- Definitely the quality needs improving if it is going to be used to the best ability.*
- More to do at the Windmill Centre – like reg drop=in mornings for coffee*
- Windmill is a SPORTS centre and that the Sports Clubs playing a full role in supporting its management and repair*
- Definitely*
- More to do at the Windmill and repair and upgrade Windmill Centre*
- Essential village facility – now in need of an update*

To maintain and improve areas currently used for all sporting activities.

- Upgrade needed badly*
- A well designed sports and recreation area a Windmill Centre could fulfil all sporting needs on the existing site and offer what is needed by each age group*

To explore new sites for additional sports activities.

- Why don't we focus on improving the Windmill Centre since it already has lots of facilities*
- Not necessary – there is room at the Windmill Centre Remember this is a village not a town*
- More use of the Castle Grounds – Cricket to return??*
- Keep all sports at the Windmill*
- Sports should be concentrated in one complex with adequate parking e.g. Windmill*

To expand and improve the provision of children's play areas.

- We need further play areas in the Castle Grounds area to enable children in that end of the village to access*
- Improve what we have after sensible research of types of equipment and what they offer*

- Agree need more for older children. Play areas must improve e.g. like Steeple Aston
- Need more children's play areas in Deddington
- Make the Windmill a fantastic play area like Steeple Aston
- New play areas for Clifton and Hempton

To support the provision of outdoor fitness trails.

- Why do we need a fitness trail Aren't there greater priorities
- Do we need two fitness trails??
- Fitness trail with Gym stations.
- More cycle paths would be good, all round the villages to make safe for kids
- Improve cycle paths,-more paths/better surfaces. Have fitness trail at the Windmill if there is lots of support (not sure we really need a fitness trail)
- Good idea at Windmill – not at castle grounds
- More for teenagers -- A gym.
- More targeted activities for older kids 10-14yrs.
- Please no fitness trail at the Castle Grounds - leave it as it is.

## 2. **Goal:**

To ensure the future of all other existing community facilities to keep in step with future development of the parish.

- I would like a Chemist shop near the Health Centre
- A must to help cohesion in the 21<sup>st</sup> century
- I 'd like another shop a tesco like in Hempton road

## **Objective:**

To support and maintain all health, social, leisure and educational facilities.

- Try to something about the closure of the Clifton pub Twice
- Climbing wall
- Community Centre to provide monthly meal for elderly Happy to pay for it
- More professional events are needed. These could be revenue for the village
- See Steeple Aston play area.

## **Additional Questions and Answers at Drop-ins, April 2015**

1. What are the key improvements you would like to see made to the Windmill Community Centre, bearing in mind that we have limited funds?
  - Spend same capital on the windmill building
  - Cricket at Castle grounds Football pitches??develop Astro for more sports
  - Look into available grants so more ambitious improvements could be made
  - New group should be formed to take forward.

*-Develop centre as part of playing field i.e. remove beech hedge. People could view sports from lounge*  
*-Extend viewing lounge*  
*Updating all facilities that would attract audiences for film club and professional arts performances*  
*-Improve kitchen facilities and equipment Upstairs and down*  
*-Large main hall to enhance the Badminton club and make enough space for indoor tennis court if weather changes.*

2. If we could source additional land for sports activities, what would your priority be for its use?  
*-Football so that there is less pressure on cricket field*  
*-Indoor activities – including the Windmill Centre*  
*-Football Tennis - sports indoor activities*
  
3. What key items do you think are missing from the existing children's play areas?  
*-Zipwire Twice*  
*-Hexagonal climbing frame*  
*-Swings/slides climbing for older children*  
*-Look at Steeple Aston – great facilities*  
*-Update them – relocate to bring age groups closer*  
*-Zipwire, bigger climbing spaces Central area with picnic tables*  
*- Trampoline (like the one at Middle Aston)*
  
4. What age group do you believe is least catered for and what is required to meet that demand?  
*-Old age Pavements cleared of cars and garden encroachment*  
*-12-21*  
*-Older age groups community gardens around the village to be tended by those without a garden*  
  
*-*
  
4. What kind of items do you feel should be included in fitness trails?  
*-Rocks like stepping stones – climbing block*  
*-Ensure footpaths are maintained*  
*-Outside fitness gym-*
  
5. What improvements would you like to see in the parish's present health, leisure, education and social facilities?  
*-More for older children*  
*-better play areas*  
*-more cycle paths*  
*-much more could be made of the Windmill facilities if some more were spent wisely---Good examples are Steeple Aston and Kings Sutton*  
*-Improved facilities at the Windmill*  
*-More performing Arts events*  
  
*-*
