

Please could there
be a map at
eye-level

Please could there
be a map of
proposed developments

retro-fitting to
achieve best environmental
standards should be
considered across deddington's
existing housing
stock

Housing that
meets the best
environmental standards
'Eco housing' should
be a necessity for all
new build. *Free!*

Vii does this
mean building
works are to be
on outskirts such
as wimbarn close?

These criteria are
totally correct &
reflect residents
wishes
