a) How can a
business
continue if it is
not commercially
viable? Needs to be
rewritten?

More businesses
mean more cars
etc, in market
place

Or supporting
housing sites
that would support
local businesses

More development
will result in more
population, slower
journeys to work
→ economic
inefficiencies / slower
commuting journeys
This inhibits the
local economy.

This will provide a
loophole for
extending - how do
you enforce continued
'business' use?
Parking is a real
issue in some
areas of the village -
any 'business' must
now generate more
traffic.
