COMM 6

This will be used  
by developers  
against us!! We  
~~should~~ should bear in  
mind the journey and  
the housing policies -  
not COMM 6

KEEP THE

VILLAGE

CENTRE ALIVE

- BUT PARKING  
NEEDS ADDRESSING

COMM 9

I object to  
this

absolutely key!  
Continue Market  
Place + environs  
as commercial  
centre - great deal  
of social interaction  
happens in Co-op!

COMM 6

COMM 6

Centre of town  
already very  
crowded.

Beddington centre  
should be protected. No  
additional building  
should ever be allowed.  
Rather focus on the  
protection of the  
historic centre.
