Do the policies
here reflect the
survey. I think
NOT!

COMM

Existing open spaces
such as fields should
not be built on but
retained as an
asset in its own
right. London has
parks, we have fields!

COMM 9

Open spaces should
be maintained as
such - open!

Open spaces are not
surplus to reqts.
Not as per survey

This does not reflect
what was proposed
in the Survey.
I object. Open spaces
should be maintained
in the village -
