Q9 8. What improvements to these facilities could be made?

The Windmill needs to be made bigger, to facilitate: a dance studio with mirrors and correct flooring, more space downstairs for badminton and tennis courts, better changing areas up and down stairs.

The playgrounds need a paint job so that it looks nicer for tourists or local children.

The sports fields are 'ok' but not enough football pitches for youth football. Also the AstroTurf is bad, the walls are all broken because the kids want to play on it, i think that the door should be open at all times so that broken walls are not visible.
